The Premises:

The house near the flat near the shopping center... As always, fit for purpose, nice room on the top floor.

The Lady:

Have you seen her photo's? She looks just like them only even cuter and with longer hair. A couple of small tattoos that look quirky on her. What you can't see is a very attractive and smiley face.

The Story:

A nice 'wow' moment when Kiera walked in the room - she really is such a classically pretty young woman - tall and slender in white undies and black stockings.

Paperwork sorted, we had a nice getting to know each other kiss and cuddle - Kiera's kissing starts slowly but soon builds into the wonderfully passionate DFK that I enjoy as much as anything in a session.

After undressing each other we moved to the bed for more of the same, but with the intensity increasing until Kiera took me in her mouth for some glorious OWO. This turned to 69, which was so incredibly sensual that I had no choice but to (with her permission) come in her mouth. Not until I had quite finished did Kiera move away, leaving me a very happy boy.

A few minutes of chatting (always a pleasure with a naked girl in my arms) before having to get ready to face the real world again.

Kiera is a definitely pretty, cute and charismatic girl who has that rare ability to make the time you are with her feel intimate rather than a purely commercial transaction.
