The Lady:

Maya is a brunette with a very pretty face and Patty a small blonde. They both have lovely breasts and bodies.

The Story:

A duo with 4 hands two tongues and 2 pussies. A boy can play and play they work well together and I was fucked by Patty to a great cum whilst Maya kissed and massaged me all over. They took turns to suck my cock and I played with them. It is owo but no fingering. They worked very hard to get me to cum twice in 30 minutes, should have happened but not today. I will return for a longer session and make sure that I fuck both of them. They are worth every penny and the sun of the afternoon made it a perfect day.
