The Premises:

Decent enough. Area a little shabby but felt safe enough.

The Lady:

Roxy is short with an absolutely amazing figure. Face was pretty but not what I'd call stunning.

The Story:

Followed instructions to her place, turned up then had to wait 10 minutes for her to call back. On entering, was told practically everything was extra (owo, reverse oral, even touching!!!). Wanted owo and anal so paid extra ?60 for this.

Stripped off and it's as if she either didn't know what to do or just didn't want to be there, as everything was mechanical and cold. Never got to full anal as her demeanour didn't exactly excite, so Mr Floppy made an appearance. Carried on with pussy sex once I got hard again, but halfway through she got up to take a phone call and reply to text messages, leaving me to finish myself off.

All in all, a bit of a waste of time and money, considering what else is available. I'm sure she's a lovely girl, but I would prefer mutual contact, such as touching to be part of the experience, not an extra. If you like to get a response, my advice would be to seek someone else.
