The Lady:

I booked Natalia, just because of her pictures. All I can say is that when I saw her, she looked even more stunning. That's quite rare, her smile was probably what I liked most. She had an amazing body and lovely legs.

The Story:

From the beginning Natalia was kind and friendly. Very down to earth type of person. I love girls like that, because you can fully relax in their presence. In the beginning we talked for a bit, got to know each other. We started with good ol' doggy style, later she decided to try cowgirl with me. I enjoyed it a lot, because she was quite wild. There was also an amazing BJ before we parted our ways. Not for long I hope, because I'm definitely coming back.
