The Story:

Had to wait for 30 mins due to punter just getting there before me. Carol came into the room but I really wanted to see Lorena due to the pics on the site. So waited downstairs with friendly maid. When it was time I paid the maid and went upto the room. When i laid my eyes on her i was dissapointed. she was attractive but did not look curvy like the pics im not even sure if it was the same girl. Maybe the pics were old ones. So after that little shock got down to business not bad but i wasnt in it after i saw her.
Not a bad girl just not what I expected.
