The Story:

Amy and quite a few of the girls here openly advertise that they swallow and thats what I wanted. Started with full on french kissing followed by licking her out. Nice honeypot down below and wet when fingering her. Laid on my back with Amy deep throating my cock. Superb at it. Then rubbered up and shagged her doggy. Her pussy is quite tight and it was good. Ended in more cocksucking and deep throat with me shooting my bolt with my cock in her mouth and she swallowed the lot. Fantastic parlour and full of horny cocksuckers.
