The Lady:

What you see in photos is pretty much what you get, a very pretty girl with a great smile and a nice body.

The Story:

Tried getting a booking on short notice with my first choice, but she was unavailable so was recommended Nicha, normally I would do a lot of research and deliberation before I decide on a girl, but I was in the mood and just went for it. Next time i'll stick to my usual indecisive self.

Had a shower, came out and was told to lie on the bed, then asked if i wanted sex or massage first, i knew then it was going to be an underwhelming encounter.

Started off with OWO then after a short while it was on with the condom and I was told to go on top in missionary. There was no energy or enthusiasm from her, the phrase 'going through the motions' comes to mind, I asked if she kissed (which in my opinion for a GFE I should not have to do), she said yes and asked if i wanted to kiss, I waited for her to make any sort of move, but she just lay there, couple kisses later I just felt it was pointless and finished off.

Afterwards I just let her massage away the time, she did ask if i wanted a 2nd round but I just couldnt be bothered. She did give a very good relaxing massage.

Ended with a shower and out.

Nicha is a nice enough girl, but it's one of those cases of the service not matching the looks. Maybe if you are more assertive you might get something more out of the meeting, but for me her lack of energy/enthusiasm threw me right off.
