very young spanish girl says 19 about right!, petite size 6-8,tanned brunette girl nice b-c size breasts firm toned sexy body.

The Story:

Agreed on 15mins service including oral & sex.

Laid on the bed and nicole curled up next to me playing with my cock as i stroked her ripe arse and squeezed her breasts, soon taking my cock into her very young tender mouth!. i watched as she gently sucked and licked from the top to the bottom, her teeth gently touching my cock as it slipped between her lips with each movement - a beautiful sight watching my cock ease into her young face.

After some time enjoying nicole giving me oral and gently playing with / squeezing my cock, after applying the protection i moved her small young tender body into position , my cock aching to force its way between her pussy lips. Then i fucked her in missionary holding her gorgeous body tightly against my torso as i impaled her deeper and deeper with each stroke each time adjusting my position for extra penetration, nicole gently brushing her hands against my torso & relaxing her body in complete submission as i fucked her harder & harder grabbing a tit in one hand and arse cheek in the other squeezing tighter as she moaned with her lips pressed against my ear eventually wrapping my arms around her very sexy young defenseless tender body & cumming with some force my cock twitching inside her , soon trying to extricate herself but i forcefully held myself inside her until my cock was completely drained of all its juices.

Recommended for a very sweet shy young girl with a lovely tender body and value for money fuck - not very chatty but experienced enough to let you use her body at will!.
