### The Premises:

A small but immaculate studio flat in a pleasant residential street not far from the Overground. Felt very safe.

### The Lady:

Danna is a real cutey. Quite small but very slim and fit and everything is firm and tight. Early twenties with a very pretty face and gorgeous shining dark hair. Originally from Spain but has lived in London for several years.

### The Story:

Danna was friendly over the phone and gave good directions to her flat. Once inside I had a shower (she offered to join me) before the activities commenced. Danna gives a perfect GFE with lots of kissing, touching and stroking. I spent a long time licking her beautiful pussy which she seemed to enjoy. She gave me great oral in return and after sex (protected) and some more kisses and cuddles I had another shower and it was time to go. Great quality time spent in the company of a fantastic girl and outstanding value for money.
