The Premises:

The house was in keeping with the area, which felt safe. The bedroom was large, clean & bright.

The Lady:

She is actually better looking in the flesh. She is in her early 30's, about 5ft 2in, long blond hair, large tits, a clean shaven pussy, an arse to die for and stretch marks. In a word MILF.

The Story:

I arrived 20 minutes late for my appointment, but she was cool about it. She is Hungarian & speaks very little english, but this was not a problem. Despite what the site says, she did not offer A-level, CIM, FK, or OWO & I must admit I have had better blowjobs. I passed on the massage and got her to lay on the bed, whilst I licked her out, rimmed her arse & fingered her. She started moaning & writhing on the bed & after a while she sat up & hugged me - I guess she must have orgasmed. She then started wanking me & once she got me hard, she slipped a condom over my cock. We then started in the 69 position & moved onto doggy, miss, spoon, cowgirl & reverse cowgirl. Her pussy was surprisingly nice & tight & as a result she used a lot of lube. This girl took an absolute pounding & was moaning, after a while her pussy became nice & swollen. I was fit to burst, so I decided to finish on her tits, which was an extra ?10. She sat on the edge of the bed & clamped my cock between her tits for a tit fuck. After a short while, I came on her tits & this is the hardest & heaviest I have ever cum, which is quite something given that I am now 51. Yasmine is definitely a girl worth visiting.
