The Lady:

As usual, pictures on website don't do her justice. Lovely face with a bright smile, fantastic pair of at least dd size natural boobs. Great legs (she is an ex pole dancer), flat tummy with perfect naturally tanned skin and a fantastic bum too.

The Story:

As always when you meet a new girl you wonder what's coming, but as soon as she opened the door & gave me her beaming smile I knew I was in for a treat. She has a lovely personality and likes to have a chat (which I like). As for looks, see above and add WOW! She is drop dead gorgeous but doesn't realise it, which I think is quite nice. When you find out a bit about her you realise she is intelligent and ambitious & I doubt she will be around for long because the world is her oyster and she knows it. She was wearing a lbd & high heels & when the dress came off she was sporting some lovely peach skimpy underwear. This is a girl who certainly knows how to fill a bra & pair of thongs properly! As for what we did, she gives a fantastic owo & has the sweetest shaved pussy & is also very enthusiastic when the old rubber hat goes on & things get a bit energetic. Yet again another treat from Brums finest agency. I urge every red blooded male to see Frankie at least once because you won't be disappointed! Thanks again Madison
