The Lady:

Claudia is what you would call Hi Candy absolutely stunning, with long dark hair, slim, long legs, and does not look anywhere near the age the website suggests, much younger.

The Story:

This is only my second report I have ever written, but feel I need to shout about this lady (long overdue), I can't beleive no one as never put a report on Punternet for Claudia. She must be Leicester's best kept secret. This is not the first time I've seen Claudia but all I can say is it just keeps gets better each time.

For some time now my preference's have changed over the years from blondes to brunettes with long hair, I don't know what it is perhaps its just i'm getting old. but they definately rock my boat. I went for the VIP room which is darkely lit with a nice double bed. Clauia gave me a light back massage to start with and by the time she asked me to turn over I was rock hard (I took a viagra earlier). This lady then went on to give me the best GFE ever. Kissing, then on to OW and she knows exactly when to stop as you feel like your about to explode. This is just an experience out of this world that all should get the chance to feel. then back to more hugging and kissing. Then very softly she asked me how I would like to enter her, Well this just had to be in the mish position and let me tell you i'm not the biggest cock in town, far from it but on her easing me in whow is she tight. This lasted for all of a few minutes and when I exploded words could not cum to my lips, what me speechless. I just kept pushing harder and feeling more cum entering the condom. When I finally pulled out, her sweet pussy was very wet which made me check the cover was still on. Claudia then wiped me down and I was still shaking. When I left my cock was sticking out (like it is now writing this report) which did not help by me wearing shorts, hope no locals were watching. This girl is straight out of the top draw and I will be back for more therapy as and when funds allow.
