The Premises:

Helen came over to my home. It was the realisation of a fantasy for me.

The Lady:

Helen is very much like her pictures, a little thinner, but she is working on getting her weight back. In her heels she stands at 6 foot tall. She wore for me a dress, with black heels and dark hold up stockings.

The Story:

As many of you have discovered. Helen was the true star of MK Angels, you could say she was the Arc Angel. When you meet her, you are entering heaven and with her first kiss you have crossed the gates into paradise. Now independant, I was pleased to welcome her on an outcall. A word of advice no matter how much you fantasise and plan a home booking, just check you have everything right, do not try to cook and neck at the same time. Helen is a fantastic lady with a very open mind, who luckily knows how to take things slowly. A lady who enjoys sex, and can give you lots of pleasure in return. What happened between Helen and I stays that way but it was fun. Just waiting for the next time. Which maybe at her new place sounds amazing.
