### The Premises:

Scorpio- often described on punternet. Showers working fine.

With five girls from four countries in the lounge there was plenty of choice. As I drank my tea we talked of the geography of Romania and Transylvania, the regional variation in the latin languages, then sport (the tennis of Novak Djokavic , the football of Nemanja Vidic). This was quite the most intellectual conversation I've had in the Scorpio. I selected Emma.

### The Lady:

She's 22 years old, with long, straight and very glossy dark hair, round impish face. She has an amazing figure, full breasts, slender waist, small round bum that's very firm, lovely legs. She tells me she likes athletic activities. Her English is rather good.

### The Story:

We started with cuddles, moved to cunnilingus, then OWO, then missionary, then cowgirl, then doggy. She does all of these very well indeed. She is communicative and can be quite vocal. Afterwards she showered in the room, a happy sight that the punter doesn't always get to see. Actually, she's a bit obsessed with personal hygiene (nothing wrong with that in her profession, obviously).
