The Premises:

Very clean tidy room in a private house, nicely decorated with orchids and candles. Area is safe. Short walk from Acton Town underground station. Parking available in street.

The Lady:

Very pretty Thai lady probably in her mid thirties about five foot three tall with a nice figure. She has a friendly and cheerful manner and a beautiful smile. She was wearing a little black dress.

The Story:

Lily offers a full body oil massage with HR. She is a properly trained masseuse and she she makes it clear that massage with HR is all she offers and that she does not take off her clothes. She does, however, give an excellent massage, one of the best I have had. Sensuous rather than overtly erotic until near the end when she gives an erotic finger tip massage. Her HR is expertly done and very satisfying. I have seen her a few times now. She is considerate, friendly and lovely to look at. Definitely a lady to consider if a good massage with HR is the service you require. She told me that she doesn't work weekends.
