### The Premises:

Good parking nearby. Easy to find apartment block and a clean and nicely appointed room. All very friendly and safe.

### The Lady:

Very pretty brunette with long hair, slim, fit tanned body with superb looking enhanced boobs. Came into the room dressed in a black and white bustier, with matching thong, black lacy top stockings and hi-heels. I had bought along a red suspender belt and matching baby doll nightie for Jade the wear, which she popped out of the room to change into and came back in looking absolutely amazing!

### The Story:

Sensuous standing DFK and fondling to start with before continuing DFK kneeling together on the bed and eventually moving into a face sitting position enjoying myself in bringing Jade to a shuddering orgasm. A long session of intense and passionate DFK followed with our bodies entwined together as we writhed around the bed. Jade then slowly kissed her way down my body to lay between my legs and slowly lick along my shaft and taking me into her mouth for a long slow and sensuous oral session with some full deep throating all of which was amazing to feel and so sensuous to watch. Then coming back up for more intense DFK before changing position with Jade on her back so I could kiss my way down her body and slowly with my tongue bring her to another climax. A short get our breath back break and then another long entwined DFK session, more oral on me which transitioned into a good long 69 session then on with a condom for Jade to straddle me for a great sensuous cowgirl session with full on DFK, then doggie and back into cowgirl, first kneeling then squatting. Red suspender belt, stockings, wonderful boobs, fabulous body, Jade looked amazing - a real fantasy.

More intense DFK before Jade moved down my body once again for another long session of hands free oral on me with Jade expertly licking and sucking me to an explosive and body shaking CIM finish which left me in state of ecstatic exhaustion.

As many others have said, Jade is amazing, sexy, raunchy, fun and so on and so on??and so on.

And Jade really does enjoy intense passionate Deep French Kissing!

I booked her again for the following week.

Wonderful!!
