The Premises:

Easy and safe in the centre of Ealing. A few moments from the tube. The place is comfortable and I sat with the maid whilst waiting. She was friendly and very attractive. I do like the idea of playing with the maid. A concept worth exploring there are many gorgeous ones out there.

The Lady:

She is a very pretty size 8 with breasts to match. Her face is young says she is 18. I believe. She was wearing a black dress and matching bra and panties. She soon had these off.

The Story:

This is a vanilla service though anal is ?40 more. Riding sucking and fucking are vanilla and when the lady is this pretty! My spunk shot out and landed on my face not done that for an age. The hand job was after a number of positions and covered oral. Her chat is friendly and though young is willing to smile at the world in general. She has a lovely pussy and responds to the licking and sucking that I give as a greedy boy sucking on a delicious fig.
