The Lady:

very smart young lady with lovely figure and lovely smile. Seen all her FRs on PN so was vert happy with her choice

The Story:

there's no doubt she is more expensive than most leeds girls but she is worth every penny. Dressed to impress and she certainly made me go weak at the knees. Once i was shoowered she was quick to make things start happening. After lots of playing around with wanking and sucking it was time for a cover and to sart pumping away first in doggy and then with her on top for cg and Very nice lady and very nice hour. finally a good long work out in mish.
