The Story:

Booked her after reading comments on **.

Def the girl in the pics. Sadly not a good punt. She wasn't really interested...makes me think the reviews on AW are fake...which kind of said she was amazing and 'could fuck like there was no tomorrow'.

my dick went in a few times cos of the lack of interest from her.

Came in her mouth...politely told her this might be the wrong job for her, she just smiled.

Has quite a few self inflicted cuts on her left arm, said she had 'stuff' in her head when she was younger.

Give this girl a miss...she is clearly not enjoying her job
