The Premises:

Really nice apartment close to station tastefully decorated and just right. Unlike many Asian girls this was not a dark room. Access was easy and secure. Good shower and towels etc.

The Lady:

Very petite Asian could pick her up with one hand lovely small boobs round ass. Perfect!

The Story:

Wow! Very horny girl from the first moment to the very end. Drained me.

Loads of encouragement and positions fingers in every hole possible put plugs bed was awash with condoms and sexy toys. Nice kissing good oral.

I use escorts for A Level and go for those who advertise this. If it's not offered I am generally very critical. On this visit we spent so long with her pussy A was not taken up. I must say I never missed it and that is a compliment.

Highly recommended experience will endeavour to see again ASAP to take that ass for sure..
