The Lady:

attractive but pictures are old she probably 25-30 and definitely not 23. Nice looking but plenty of make up. A bit dumpy as well the weight is going on and she is not a very tall girl so isn't carrying it too well.

The Story:

Great sex, this girl is a sex dynamo and up for anything, she had her tongue right up my arse within minutes of meeting her and before I even had a chance to shower. She couldn't get enough and swallowed everything I gave her dirty as they come. She doesn't know how to say no. Wouldn't return as there are better out there for this price.
