The Premises:

Perfect, if small, apartment. Totally safe. Brand new to my eyes.

The Lady:

About 5'6", size 12, incredible soft skin, v. early 20's. The most impressive boobs I have ever seen - GG's, perfectly soft and .. well words fail me.

The Story:

I've seen Clara three times now. Service can be a bit variable depending on if she's having a bad day etc (I suspect) but treat her gently and catch her on a good day and - if you're a boob man - this is the closest you'll get to heaven.

Frankly I've dropped the sex/blow-job bits of the meeting now. Just watching her tease you unwrapping from a gorgeous dress into nice underwear then extracting herself from those is - when she's on form - just spellbinding. I've seen bigger boobs (KK's and above) but nothing as good as Clara's. Great, friendly attitude.

English is OK, but not perfect. + although she advertises GFE she doesn't kiss.

Prices are also "spot on". ?50 for half/hour.

So caveats about possible bad days, and maybe treat her a little gently but the reward can be a memory to last a lifetime.
