### The Premises:

Clean building in a nice residential area. However, it is a fair walk away from Milton Keynes Station.

#### The Lady:

Absolutely stunning, even though currently she is using pics from her last stint here 3 years ago I could not tell the difference between her then and her now. Having said that she did say she is getting new pics done this week.

#### The Story:

We introduced each other before she jumped on me. Straight into dfk and she feverishly tugged on my belt (as she was soo keen to jump me i was still fully clothed) to get me undressed. The following hour was filled with kissing, sucking, licking and general chatting. The sesh was so good that despite the fact I am a doggy man we didnt even get there. Cannot recommend her enough.
