The Premises:

Ground floor apartment on a side street just off the main road, very clean, spacey but sparsely decorated, have met several girls previously at the same premises. all seem to be friendly and relaxed.

The Lady:

Gorgeous tall size 10-12 brunette with tanned skin and large firm round breasts.

The Story:

When i arrived given the choice of two girls, both very fuckable. chose Vanessa who looked younger, the other girl; also had large but false breasts, prefer au-naturelle.

Vanessa joined me in the bedroom and stripped in front of as i lied on the bed - everything perfected formed as i was led to expect when i first saw her in a dress showing off her curves to perfection. Couldnt wait to squeeze her succulent breasts and did not wait long - as she laid next to me and let me stroke and squeeze and cuddle to my hearts content! for some time even though i only booked 15mins quicky. Then put on the condom for an extended session of cock sucking with considerable professionalism.

Finally moved Vanessa onto all fours and fucked her hard to completion as she pushed herself against my cock her large breasts jerking around below more violently with each thrust.

Cleaned up and chatted nicely with a kiss on the cheek as i left.

Highly recommended, very sexy, hope to return soon.
