The Premises:

Lovely Comfortable, well looked after flat, lighting has improved in a very busy area, very close to Earls Court station

The Lady:

Lisa very beautiful, amazing body and a great personality.

Facially Lisa has brown hair and brown eyes and naturally very beautiful, she has a well toned body, lovely smooth skin, very sexy legs and the most amazing bottom. Lisa was wearing a black micro leather mini skirt in stockings and high heels, with a sexy bra

Joy was very pretty, brunette hair, friendly and a great personality and was also wearing a black micro leather mini skirt in stockings

The Story:

Met Lisa many times previously. Also works as Sadie in West London at Turnham Green

Lisa was training Joy today

I requested they both wear black mini skirts that shows their sexy backsides and amazing legs. Both ladies looked amazing and very sexy

Lisa wanted me to describe to Joy what I like to do.

I told Joy that I like to indulge in ass to mouth activities where I enjoy getting rammed by big strap ons up my arse and then being made to suck these cocks deep throat from my own arse without wiping as well as licking and fingering Lisa's arse then made to taste my fingers from her sexy arse and if I'm lucky get to taste some chocolate treat.

Lisa and Joy took turns to twist my nipples then put nipple clamps on me

Then both put on medium sized strap on dildos which were both black with Lisa as usual reminding me how much I love big black cocks.

Then I was put on my knees where I had to first suck on their strap on cocks separately, I deep throat both, gagging, making both cocks nice and wet.

Then onto the bed Joy fingered me up my arse with the gloves on then used two possibly three fingers, Lisa then did the same. First it was Lisa who then raped my arse with her strap on dildo while I sucked Joy's cock at the same time. Quite recently since my session with Tina and Lisa a couple of months back, Lisa now rams it up my arse so hard and fast I just have to take it even if it caused me pain which it did. They were still wearing their mini skirts while doing this.

After a couple of minutes they swapped over and Lisa took her cock from my arse and without wiping I took it deep throat into my mouth for some nasty ATM action. Joy then stuck her cock up my arse while I was sucking Lisa's cock. Joy also rammed it up my arse at an incredible pace as if I was getting raped by both.

After a few more minutes Joy took it out of my arse and they both swapped places so I sucked Joy's cock from my arse, deepthroating it making me gag and made to lick the cock all over, and Lisa stuck it back out of my arse. I had to do ATMs four to five times in total and as it is so dark I could not tell if there was any poo on the cocks.

Finally Joy took her cock from my arse and I had to kneel down on the floor to suck the dildo clean

I made Lisa bend over on all fours and I gave her a deep rimming while at the sametime Joy found a long dildo (8-10 inches) and rammed it up my arse fast and hard. It really hurt but I enjoyed the pain and humiliation. I then licked her Pussy after licking her arse. After a few minutes Joy made me suck the dildo from my arse.

Then I asked Joy if she liked her arse licked and she said Yes

Then I licked Joy's arse while fingering Lisa's arse at the same time.

I then stuck one finger followed by a second then third finger up her arse, moving my fingers in and out of her arse, then Lisa ordered me to take my fingers out of her arse to then shove my fingers from her arse to my own mouth. Joy watched this being done. Unfortunately there was no chocolate treat this time around. Shame as Annabelle last month witnesses me tasting Lisa's pudding on a previous training day.

It was time for Joy to go and had the last 20 minutes with Lisa.

Lisa took the clamps off my nipples.

Lisa proceeded to have sex with me with Lisa on top then I finished in Doggy Style. Lisa still had the mini skirt on.

It was another amazing experience.

Joy was awesome, although this was training day Joy already seemed very confident and used her own ideas and initiative in the session.

Joy will be a great addition to the retreat

Definitely see either Lisa or Joy.

I would fully recommend it.
