The Premises:

Very clean and modern flat near city centre. Secure too.

The Lady:

Blonde tall lady from Eastern Europe. Curvy and sexy just like her picture on vivastreet.

The Story:

Good massage and exceptional oral skills. The finish was pretty intense too. This lady is sex on fire. However, afterwards, I was offered a shower which I accepted with trepidation as she seemed quite jittery. I put the shower on and waited about a minute before looking into the bedroom. To my horror, she was rifling through my wallet, which she subsequently dropped in shock at been caught. This report was submitted late because she took her details down soon after that and I could not put her info. I have subsequently seen her back on-line and felt obliged to let others know- the ride of your life, but watch your wallet.
