### The Premises:

The very popular HOD, nothing more to add.

### The Lady:

Absolutely stunning! Geez that body, with those fantastic tits (fake), those legs, the whole package was 10/10 - best body I have ever laid my hands on.

### The Story:

Almost knocking on the wrong door wasn't the best of starts to my latest visit to the glorious HOD. Not quite sure what kind of reception I would have got but thankfully a quick phone call directed me to the correct door where I was greeted by the friendly as ever receptionist and led to the bedroom where I was joined a short while later by the truly spectacular Jade.

By God she is incredible. Dressed in a bikini ensemble that didn't stay on for too long, she was perfectly made up with a smooth, toned and tanned body with just the best tits I have ever seen. Probably not to everyone's taste I know but I find fake tits an incredible turn on, and Jade had a super pair!

After completing the paperwork round 1 started with Jade pulling a chair in front of the mirror so she could give me a sexy lapdance (my request). Her bikini top was soon removed and after a far too brief period of OWO (my fault entirely) I came copiously in her mouth. Rather than assuming I was finished and satisfied Jade soon returned to work on my cock and what followed in the next 15 minutes was the most incredible BJ and earth shattering climax I have ever experienced. Watching Jade in the mirror work her magic on my cock is a sight that will stay with me for a long time, a long long long time indeed.

Earth moving climax over I somehow managed to dress myself before finding myself out on the street, on very wobbly legs.

By God she is good.

Are all Brazilian girls like this??
