The Story:

Began with me massaging Gaby as she laid face down on the bed, Gaby really does have a fantastic body and after a little while rubbing oil into her back and bum I spread her legs and arse cheeks and went to work with my tongue on both her arsehole and pussy, delicious. I turned her onto her back so I could suck on her long slender nipples as I squeezed and rubbed those fantastic tits, back down to the pussy for another taste of that sweetness, then I thought it was about time I put her mouth to work. I lifted her higher onto the pillow sat across her and put my cock in her mouth, it wasn't long before my balls were stirring and I exploded, I always come heavy but she took the lot and as I withdrew spunk flowed over her bottom lip and down her chin. To my surprise she scooped up the stray cum and licked it from her fingers, she'd actually swallowed the lot.

Round two began with Gaby giving my cock a really good suck, every so often she'd take it out of her mouth and bang it on her lips and outstretched tongue, then with her on all fours on the bed and me standing behind I fucked her hard and deep, she's a fantastic sight from this angle as well. When I felt I'd pounded the pussy enough I withdrew and teased her arsehole with the end of my cock, she reached back spread her cheeks and I slipped it up her bum, with a hand on each of her magnificent tits I banged away. When I felt myself coming for the second time I pulled out removed the condom flipped Gaby on to her back and shed my load over tits and tummy.

A very sexy lady and a fantastic service, well worth a visit.
