The Story:

Had a shower to start with then on to the bed for a enjoyable massage quite an expert is Ebony. i then went down on her tasty pussy now that was good then as she lay on the bed i stood up and had a good climax pumping away on such a gorgeous young lady made an old man feel much younger than his 53 years.

The only down side was no kissing or owo so ?60 was a little on the expensive side for mk but i will be back

Thanks again Ebony
