### The Premises:

Immaculate private basement flat in safe area. Nicely presented with candles.

### The Lady:

Very cute slim girl in her late teens/very early 20s. Olive skin, small pert breasts and pretty face. From somewhere in the Balkans.

### The Story:

Think of an end-to-end game with the score at 2-2, 5 minutes to go, then the floodlights fail and the game is abandoned. That is basically the deal with Vanessa. She gets naked. She massages you. She rubs and sucks. But penetration is not on the menu. Fortunately her OWO is top class so a rapid discharge was achieved. Still, I envy her boyfriend. Intercourse with this hottie would be sweet indeed.
