### The Premises:

Shared house in a quiet street about 10 minutes from the station

### The Lady:

Cute young East European girl in her late teens. My standard fare: slim, pretty, small pert breasts.

### The Story:

Erika hasn't been doing this long, so is still hot and responsive. A good time was had, enhanced by various extras. I would return except that Ilford is a pain for me to get to. Might have her back in the civilised world for an outcall though.
