The Premises:

Council flat about 10 mins walk north of Kings X station.

The Lady:

Advertises under various names, mostly showing a good looking indian-ish girl in her late teens early 20s.

The Story:

When I arrived I was told she had gone out. I was offered various alternatives and chose a Polish woman called Anoushka who provided a decent enough service. But it is annoying to have a confirmed appointment with a named escort, only to be told on arrival that she is not there.
