The Premises:

Although a small room, it was a tidy, clean and comfortable.

The Lady:

Hope is gorgeous and is just like her pictures. A leggy brunette with nice tasteful tattoos, I could just look at her all day long!

The Story:

Hope accommodated all of my requests with gusto. She is a gorgeous and really down to earth fun girl who really aims to please.

I loved sitting back watching Hope play with herself, she came several times using her rabbit. We had great sex and I especially loved watching her grind me and move her body whilst on top.

Thanks for a great hour Hope and as always to Amelia for arranging.
