The Premises:

Very easy to find, 5 mins from station. Discrete location. Cosy apartment, safe. Has a small shower provided.

The Lady:

5ft 6in probably, 34D enhanced, size 8 slim looking. Has a pretty face and is the same girl from the better. Looked probably early 20s mid 20s from Thailand.

This girl transcends Physical looks and has the personality to match her youthful looks.

The Story:

Booking via agency was superb and professional. Either SMS or call is fine with them. They are clear with information and check what you want, you can even have your own preferences or fantasies you want to play out.

Was invited discretely into the flat. Offered to shower as usual. She looks the same as the photos on the website if not better in person. She has a bubbly personality and is very easy to talk. Her English is pretty good.

She wore the same white dress as in her photos and that was a big plus for me. She started with a massage then OWO. No kidding it was the best so far and I am not new to escorting. She knows quickly what you like and what you don't. She is very receptive and gentle. The other plus is there are two mirrors which for me are excellent.

Her range of toys is also interesting if your into that stuff. But I am an oral person and I just laid there with her head bobbing up and down, oh boy I did indeed have a very happy ending in her mouth.

All in all I enjoyed myself and next time will try other things, but seeing her OWO Opposite a mirror is a sight I will never come back.

I will definately come back... Until the next pay day
