The Story:

as well as being utterly breathtaking ashley is a simply incredible girl. warm, friendly, funny and the best god damn cock sucker i have ever come across. started with incredible massage, could lie there forever if truth be told. rolled over and then was taken into sheer ecstasy by ashley, the best blow job ever, an expert. returned favour and got to taste incredibly sweet, wet pussy. then spent a little while playing with her amazing breasts, kissed passionately and then had sex on the end of the bed with me standing before moving onto chair in corner of room and ashley rode me with those incredible tits bouncing in my face. sadly i didnt last anywhere near as long as i would have liked and i came all over her fabulous tits soon after. was the 2nd time i had seen ashley that week and i hope to god its not the last, she is quite simply the best, treat her well guys she deserves nothing less, thanks ashley
