The Story:

I never imagined a WG could be this good! Too many gory details to print but its fair to say we explored each others bodies. There's no doubt about it, Molly enjoys her job and enjoys company. From the moment I entered the room I was treated like a king and despite my mediocre appearance I was made to feel like an adonis. The sex itself was mind blowing, she has incredible enthusiasm and she's a bit mad as well which helps! When we finished there was no rush to get me out, on the contrary, she was still pampering me lovingly and we conversed for a while before sharing a shower with snogging and embracing still ensuing. Didn't think I was in a parlour, it was more like lovers in the bedroom.

An incredible enthusiast and intelligent to boot, she's like no other, worth all the good reviews she gets and more!
