The Premises:

We met at Roxxy's apartment in a large block.

It was easy to find and enter: I just walked to the lift and found her room, which was clean and neat. The area is very safe.

The Lady:

Roxxy is tall, blonde, statuesque and with that beautiful facial type common to many Russian and N European ladies. I had asked if she could wear something like the summer dress shown in her gallery and she wore the exact one - wow! While I was showering, Roxxy changed into some fishnets and Rigby & Peller underwear, being more practical for what was to follow. Roxxy looked just like her gallery pictures in that dress, albeit with slightly shorter hair.

The Story:

This was actually a duo booking with Roxxy's friend, Angie George, who I have met three times before and the price was for the two of them. (The second phone number is Angie's) So, instead of my usual need to talk for ages to get to know a lady, we only talked for several minutes before the action commenced.

Roxxy rapidly entered into the spirit of the occasion and is a truly outgoing, friendly, funny, lady, who just oozes sex appeal,

Roxxy has been on my radar for months but her trips to London did not conveniently match my plans. However, I noted from her profile that she was doing duos with Angie George this week, having not, as expected, returned to Spain on the 22nd. I have already seen Angie 3 times and knew how well they get on. So, I contacted Angie yesterday on the off-chance that they would both be free today and, surprisingly, they were. Great for me.

So, I turned up with a bottle of wine (mistake: take 2 next time) to find Roxxy in her summer dress and Angie in a two-piece business suit. Both ladies towered over me in their heels.

I showered while the ladies changed into underwear, leaving me wondering where I would begin. Given that it was a bit like Russia meets Essex in the disguise of Cameron Diaz and Courteney Cox, with much more impressive superstructure, there was a lot of visual impact to confuse my brain. Angie told me to leave it to them to conduct the proceedings, which seemed like a good idea.

We started with two-way and three-way kissing and groping in all combinations and a short burst of getting me worked up before MC Angie informed me that it was time for me to pay attention to Roxxy, which I did. It took me a short while to learn how Roxxy likes her RO but I got there. Then it was Angie's turn, Roxxy's again, then Angie's again, with the ladies doing their best to turn me on while I was busy with them.

Then the wine ran out, so Roxxy shot out to get some more, leaving Angie to entertain me but under strict instructions to save me for Roxxy, which she did.

Some gulps of wine later and the PSE stuff started. This is where sensory overload can easily interfere with the memory, so I hope that I have not forgotten anything. Angie had already decided that Roxxy was going to be the one being on the receiving end but before we got that far the camera came out for some explicit pictures. I enjoyed a four-lips BJ and other treats before Angie sat on my face while Roxxy rode me. I cannot accurately recall the full extent of all the hands/lips/boobs experience, but there was a whole lot of it. Then I had the chance to concentrate on Roxxy one-on-one, with Angie spanking me encouragingly.

There followed a wind-down drink and leisurely chat, including some education in bra sizing, so that, by the time I eventually dressed and left, we had over-run by half an hour, which the girls off-set against my photography fee.

If the opportunity arises, I highly recommend these two beautifully mature ladies as a duo booking. There will never be a dull second, I assure you, since they are both very funny, outgoing, characters and are very, very horny girls.
