Great as usual. Clean and safe.

The Lady:

WOW... Stunning, smart, chearful and sexy... All what a man can think of. Just perfect and she is knowledgable and you can comfortably hold any conversation with her.

The Story:

Started with a snog to put me at ease. Followed by my giving her a lollipop and boy does she know how to suck. (don't get excited that was a real lollipop not MY MAN).

On to the bed and we had a great time... Not going to go into details but it was like sharing bed with a real lover... Sex talk kisses laughs..all what you do with your GF.

Highly recommended.
