The Lady:

Another fine example of the Brazilian beach babes that HOD Annabellas and MKescorts have working for them. Decription on the web site is very accurate, as are the photos. She had straight hair, rather than wavy.

The Story:

Entered the flat and was led through to the bedroom by Karina. We kissed slowly and lightly to say hello. I had a shower and then returned to the room. We enjoyed some deeper kissing, and then K derobed me and began a great session of OWO. Moved to the bed where the OWO continued and was enhanced by some prostate massage. K was taking my full length in to her mouth, as well as giving my balls a good licking in between. I could feel myself getting close to coming so asked K if she would like me to lick her pussy. The answer was an emphatic yes. K has a fabulously thick set of outer labia that protect a very large clitoris that I feasted on for a long time. K eventually climaxed in my mouth. Once she had recovered she applied the necessary protection and mounted me cowgirl style and fucked me rotten. A quick switch to doggy and then I emptied my sac inside her warm moist pussy. A shower to clean up, a chat, a kiss goodbye and I left on a cloud. Super lady that was a real pleasure to meet and definitely worth a return visit when I'm next in MK on a Wednesday.
