The Premises:

Have seen this young lady a few times now, she tends to move around so each time has been in a different local, at the moment she is in Paddington. Nice flat in a safe area.

The Lady:

Lovely looking young blonde with a great body and tight pussy. She is a couple of years older than the advertised 19, probably about 22/23 I'd say.

The Story:

Seen her 4 times now over last 2 years and each time has been excellent. Main reason I go back is for her oral skills which are second to none, could have spent the whole 2 hours with my cock in her mouth. The way she sucks while caressing my bell end with her tongue, at the same time, gets me every time and I've found she is happy with CIM. Shagging her is fab too as she FK deeply and is lovely and tight. Between rounds she is cute and fun to be with. If there weren't so many others on my to do list I'd be a more frequent visitor. Always a 10/10 from me for this young lady. She tends to move from agency to agency, in the past I've seen her through Bunnies who in my opinion were London's best sadly now gone & Hot Collection. On Hot Collection she advertises OWO, FK & GFE but in my experiences with her there is a lot more on offer.
