### The Premises:

Chesterfields is a cosy well run parlour off Egerton Street by the local canal and close to the Mill Hotel. The bedroom is spacious and comfortable. The entrance is exposed but the door is always answered promptly and there were no prying eyes around. I felt perfectly safe.

### The Lady:

Nicole is a petite lady in her late thirties with a delightfully slim body topped by full kissable natural boobs. She is also very pretty with long blonde hair. This was my second visit as she is delightful company too.

### The Story:

Nicole appreciates gentle love making and is a very enthusiastic partner. Her skin is smooth and soft and she loves being caressed. After some initial foreplay including kissing she got me hard with some superb OWO and I just had to reciprocate. Her pussy became very wet and she clamped her thighs round my ears as she came. After a short rest she popped a condom on me and then put me through my paces in missionary, cowgirl and reverse cowgirl. I don't know how I managed to last so long! She then removed the condom and said that she hoped she could give me as good an oral orgasm as I gave her. She was as good as her word. Afterwards we chatted and she saw me to the door and kissed me goodbye. I left a very contented old man and can't wait to see her again (for an hour I hope)
