The Story:

Clint Eastwood once starred in a film called "Any Which Way But Loose". All credit to the slim and svelte Samantha, in an obvious homage to one of the giants of cinema, she allowed me to try it any which way. And, dear readers, I can confirm that none of them were loose. In fact, they were tight enough to make one's eyes water. Samantha promised to satisfy all my desires. I like to think I satisfied a few of hers. She may be an all-American girl but I like to think that there's a part of her that is now forever English. Definitely worth a rematch!
