The Premises:

Visited after seeing rightlittlegeezer report 110717. Accurate so no need to repeat - good man. Felt safe, no problems.

The Lady:

As described, leggy stunner, curves in all the right places, great smile, early-mid 30s at most. Not many around this good looking.

The Story:

Bathed first, chatted, then kissing and fondling, very sensual, smooth skin. Great oral (my first time with ice cube - this girl has a sense of humour!). Went down on her - very relaxed. On with the cover and fucking several ways to completion (have had problems with todger but not with this lady). Bathed & chatted some more - she has a brain on her as well as a fit body. Great GFE - lost sense of time and went over the hour a bit - if it wasn't for the wife I'd have proposed to her there & then. Back as soon as the piggy bank's fattened up.
