The Story:

Previous reports on Adele have variously described her as brilliant, sensational and great. The experience I had with her was better than sensational, when she came in the room it was straight into DFK while we removed our clothes and then onto the bed with more DFK followed by the best OWO I have ever had . After 69 it was into doggy finally CIM.

All this with a girl who is really friendly and intelligent . A great experience which I certainly want to repeat. Thoroughly recommended
