The Lady:

Really, really cute. And then some. 27 years old apparently, but she looks like she could be 21 / 22 to me. She wore minimal make up but looked so beautiful, and the photos on the website she appears on are completely accurate.

The Story:

One of the best punts I've had in years. Lola's a very warm, friendly girl with a gorgeous smile and a cheeky glint in her eyes. We started off with a massage, before moving on to kissing each other and fondling, before she went down on me. More french kissing followed (light, but sensual and sexy), then I went down on her, before more oral on me, and then finally sex, with her on top, and then doggy style, until I asked her to finish me by hand over her breasts.

That might sound a bit by the numbers to some, but what made the punt so enjoyable is how sexy Lola is throughout the punt, with lot's of kissing at all times (well, bar during oral!) and her eye contact is amazing too. She looks like she's really enjoying herself, and the sex was passionate and she was more than happy to stay on top for ages.

An absolute bargain at this price, for those who query whether you can really have a good time with a girl for ?60 an hour should rush to see her now as she really is a lovely, incredibly cute and sexy girl.

She is leaving in November to go back home to Hungary, but will return in January. I'll be seeing her before then, and hopefully afterwards too.
