The Premises:

In a small detached annexe at the back of a house in a respectable residential road in Yeovil near the centre of the town. A bit shabby but fit-for-purpose. Perfectly safe. I think various girls work here from day to day.

The Lady:

Chinese girl(said she was Thai but I doubt it) with not a bad looking face but fabulous curvy body, with pert tits and long brown nipples, a beautiful curvy arse and slightly plump body.

The Story:

She was so sexy I had a huge hard on very quickly and we got onto the bed where I licked her tits until they were wet and erect. She was enjoying this no end and was wanking me expertly.

I moved into reverse oral and found that she smelt a bit sweaty down there. However, I was so overcome with lust that I continued licking away to her satisfaction. i don't think I made her come but she was nice and wet and I was sliding a finger in as I licked away.

I then let her wank me to hardness and she then put on a condom, sliding it all the way down. She then started to give me oral and it was all I could do to stop myself from cominf. Eventually she asked if she coukld sit on me and she fucked me till i came. I think she wanted to continue, but I couldn't at the time.

Afterwards I wished I tried to come again as I still had 10 minutes left, but I was aware that I had to get home, so I left it that. Her English was poor but she was a sweet girl. Needs to check on the hygiene but otherwise very lovely.
