The Premises:

The bedroom is clean enough but the rest of the flat is in need of some attention, the area is safe at any time of day.

The Lady:

Alicia is Thai, very beautiful face and a great body, 36EE or 36FF tits and that's after breast reduction ops, she provides OWO and CIM, in my opinion she's certainly the best lady at this establishment and I should know I've fucked most of them.

The Story:

I've seen Alicia about ten times over the last couple of years and always enjoyed my visits, she probably knows my routine as well as me.

I start by massaging her back, bum and legs before getting her to stick her arse in the air. I spread her cheeks and rim her gorgeous little arsehole while rubbing her pussy, I've often offered Alicia a decent bonus for Alevel but unfortunately it remains a no-go area, flipping her onto her back and it's time to get to grips with those big tits of hers, she really seems to enjoy having them licked sucked and squeezed, her tits maybe her most obvious asset but don't neglect her pussy, it's just perfect and always tastes oh so sweet. I lift Alicia higher on the pillow and sit across her popping my cock in her mouth, I fill it to overflowing withdraw and and cover her tits with the remainder. After a very good massage Alicia gives me a session of oral to get me nice and hard again, I've fucked her in every position before of course but today I wanted cowgirl, Alicia does this very well, lots of eye contact and plenty of grinding down on your cock also those magnificent boobs swaying around in front of you, perfect.
