The Story:

I'd seen Pola on a few agency sites and having a free afternoon decided to give her a try. As usual Agency were helpful and her flat was easy to find.

Pola greeted me at the door with a kiss and a very naughty smile leaving me very excited about what lay in store. She spoke with a very sexy Russian accent and after a brief chat we got the formalities out of the way and she led me to the bedroom. I took a shower and returned to the splendid site of Pola lying on the bed in stockings and heels !

We snogged for a while before she started to play with me, getting the old boy very hard. She then slid down to give him an amazing BJ - just looking into her eyes was such a turn on I nearly shot my load there and then (I think she would have done CIM if I had asked). On with the condom and she turned off and asked me fuck her doggy- she has a great body and we were soon writhing around and I came pretty quickly !!

She cleaned me up and she proceeded to give me a nice massage where she was very attentive. Just as I was warming up for round two she turned me over and told me to wait - she wanted some fun first and she sat on my face and let me lick her lovely pussy. She tasted great and was moaning with pleasure quite soon (if she was acting it was very good !!!). After she orgasmed quite loadly she then slipped on a condom and let me fuck her mish style which was great looking into her eyes and snogging her ! I came again and thought that was me done but as we still had time she gave me another massage - this started to get very erotic and she managed to get me hard again - 3rd time was doggy again - fast and furious ! I never thought I would have it in me but I came yet again ! Pola seemed very appreciative and after such a great punt I will definately see her again.
