The Premises:

A cosy, very well kept apartment off the Edgware Road. Felt totally safe and secure. Quite affluent, mostly business area. Very centrally placed with all the central transport links. Easy parking facilities.

The Lady:

Mireille is a French lady in her early 40's. She has kept herself amazingly fit. She has an adorably slim figure, with cute aperté tits and a beautifully shapely little bum. She is around 5'2" in height, but looks elegantly tall in heels. She has a pretty, very French face, with pearly white teeth, with short chic blonde hair.

The Story:

I have been seeing Mireille quite often recently. With a busy work schedule I simply can't be bothered with other WG's; Mireille is simply hors concours! She makes you feel at ease as soon as you arrive, offers you a drink - alcoholic or non alcoholic - and simply becomes your fantasy. There is never any sense of her directing proceedings. Although she will play the mean dominatrix if that is what you require. She has an extensive wardrobe and will be delighted to role-play as long as you give her prior notice. I would say that she is the ideal GFE, caring for your every need, with much more sensuous finesse than most actual girlfriends. I am simply turned on by her inimitably sexy French accent. I won't go into too much explicit detail, but her erotic repertoire is very extensive. She will give you the most sensuous massage, but also she can well cater for more raunchy requests. I have never met a girl who loves to be touched so much. She loves you to lick her cute little shaved pussy and even more, if you want to play with her gorgeous little ass. I am surprised that her little pussy can take so much big cock fucking. And it really is a tight little cunt. The more you fuck her the more excited she becomes. When the main performance/performance is over she is most attentive to your needs, with more wine (always the best, as is the way with sophisticated French women). And she has an extensive CD collection, anything from Mozart to Winehouse, with lots of Jazz in between. She never rushes you, and is a delightfully engaging conversationalist. She has a way of making you feel that you are unique, the only man she cares for. And when you leave and give her a kiss, seeing her pretty little Gallic face with that naughty smile, you know you are going to return as soon as possible.
