The Premises:

Intimate Massage is a long-established parlour in Bedford. It's on a through road (A6?) lined with curry houses and convenience stores. It's usually possible to park nearby; the door, with security-buzzer, faces onto the street inside a small porch. Inside, it's tidy and pretty well done out: several rooms with beds, baths/showers and soft music. Clean and safe.

The Lady:

Oh God, she's gorgeous!!! A Baltic beauty from St Petersburg, with a charming, sexy accent to her fairly fluent English. Skin like warm honey and the kind of face and figure that most men dream about and most women envy. Slim and lithe with generous (enhanced?) boobs, her manner is open, friendly and uninhibited: the description on the Intimate Massage website is really very accurate - "athletic" and "seductive" are just two of the words I'd endorse. God, she's lovely!!! Yum-yum-yum!!!

The Story:

This was a quick half-hour visit after work. I'd seen Angela once before some weeks earlier and wanted to revisit. After some initial chat and cuddles, we both got naked and settled on the bed. We caressed and kissed, I gave her oral and she returned the favour. We changed around positions: lying on my back with her astride my face gave me a view to savour! After a while, she started another bout of enthusiastic oral on me. When I said: "That's going to make me cum!", she paused long enough to remind me that CIM is another ?20 and then proceeded to finish the job in perfect style, cleaning me up afterwards as I lay there buzzing with pleasure. Oh, she's lovely!!! :-)
